The Buckeye Drill.

We deem them the best and lightest runand most intelligent citizens of this using drills on the market. The kind of feed in this drill is the only successful feed for wheat, oats and peas. You take no risk in buying this drill. We think we can show its superiority in many respects. We guarantee it to give perfect satisfaction.

We invite the farmers to call and see our machines, buggies and harness, and see if we can't save them trouble and money.
